10. (Unclassified - GLC) LIAISON After checking with [redacted] DDI/CPS, I talked with Ellis Mottur, Office of Technology Assessment staff, and told him that [redacted] of my office, would be in touch with him to make arrangements to see him along with one of our intelligence analysts to describe the kind of briefing we thought we could give the Technology Commission on the transfer of technology. Mottur said he would appreciate this and would await [redacted] call.

11. (Unclassified - GLC) LIAISON In response to a request from [redacted] IC Staff, I called John La Bar, on the staff of General Edward Giller, ERDA, and reviewed with him the background arrangements and security procedures for briefings of the Senate Select Committee on Intelligence which General Giller is supposed to brief sometime next week.

12. (Internal Use Only - GLC) LIAISON Received a call from Danny Childs, Senate Select Committee on Intelligence staff, who was disturbed that he had not received the information on covert action cases which had been the subject of a letter from Senator William Hathaway (D., Maine) and that he had not been given advance copies of the text of the Director's and Mr. Knoche's prepared statements on the CIA budget before the Subcommittee on Budget Authorization next week. I told Childs that I would check on these and see what I could do.

13. (Unclassified - NDL) LIAISON Received a call from Louise Chubb, on the staff of the Subcommittee on Manpower and Housing, House Government Operations Committee, who asked if a fellow by the name of [redacted] had ever been employed by the Agency. She said this was a personal request. After checking with Joanne, O/P, who checked with DDO, O/S, and Contract Personnel, I informed Ms. Chubb that we had no record of ever having [redacted] employed with us. She asked if I might know a number at the Defense Department which she could call for further help. I told her I was sorry but I did not know any particular number that I could refer her to. She thanked me for my assistance.

1. (Unclassified - GLC) LIAISON Talked with Bill Miller, Staff Director, ~~Senate Select Committee on Intelligence~~, regarding the meeting between the Director, the Vice President and Chairman Daniel Inouye (D., Hawaii) on Friday and his comments on E. O. 11905. Arrangements were made with Miller to get a copy of his comments.

2. (Unclassified - GLC) BRIEFING Following up on the instructions from the Director's office, I called Mrs. Roth, in the office of Senator Daniel Moynihan (D., N.Y.), to see about arrangements for a briefing of the Senator on a sensitive item the Director had discussed with the Senator. Mrs. Roth said that the Senator would not be available for the balance of the week since he would be leaving for New York and it was agreed that we would get back in touch with one another on Monday to see what arrangements could be made for a suitable briefing date.

3. (Internal Use Only - GLC) LIAISON Talked with Sam Hoskinson, NSC staff, who informed me that the President agreed to meet with Senator Daniel Inouye (D., Hawaii) and the full Senate Select Committee on Intelligence at some time in the future but it now appeared that this would not be before the 25th of March. Hoskinson said he would need any inputs we might give him for this meeting and I told him I would provide him with copies of some notes I gave to the Director on this subject along with the pros and cons paper on the open budget issue. (The above was cleared with [redacted] of the Director's office.)
